FOOTBALL DOPE IS UPSET WHEN HAMILTON TIGERS DROP DOWN TO DEFEAT IN FINAL MOMENTS OF GAME WITH RED AND WHITE

Co-operation Between Kicking Department and Wings Responsible for 7-4 Victory When McGill Clashed With Hamilton in Exhibition Game—Collegians' Lighter Line More Than Held Its Own—Hughes' Sixty Yard Kick Puts McGill in Position to Go Over for Winning Touchdown in Dying Moments of Game—Hanna Showed to Advantage—Wilson and Robertson Played Great Ball—Gibb and Evans Starred for Tigers.

On Saturday afternoon at the Percival Molson Memorial Stadium the Red and White football aggregation played their finest game of the season when they came up from behind in the final minutes of the contest and defeated the crash Hamilton Tigers to the tune of 7-4 in a game that was as thrilling and closely contested as the score would indicate. Both teams played a clean, open game in which fine kicking and spectacular tackling were featured, the performance of the wing men of both teams being especially remarkable. The wings were getting down under the kicks in speedy fashion, and their heavy tackling rarely gave the backs an opportunity of running the ball back for extensive gains. The Red and White line, though inferior in weight to that of Hamilton was holding like a stone wall, and neither team was able to make yards on more than eight occasions. Hughes who was consistently outdistancing the Black and Yellow backs, played a kicking game, booting the ball on the second down no less than eighteen times. Fumbles proved costly to the Tigers, and McGill was able to go over for a touchdown towards the end of the final quarter when Hughes' magnificent sixty yard punt was dropped a few yards out, and Norris gained possession for McGill.

From the spectators' point of view, the weather conditions were ideal for a football tussle. There was little wind, and a slight tang in the air in spite of a warm sun peering over the edge of Mount Royal at the gridiron and stands beginning to fill with a crowd that hardly dared to hope that the collegians would be able to cope with what is perhaps the finest team in the Big 4. The ground was rather soft, the regions in front of the goals being muddy and slippery, and during the pauses in the game, the henchmen were busy hacking mud from the players' boots.

The Rooters' Band arrived playing gallantly at two o'clock, but unaccompanied by the rooters, who straggled in unorthodox and unadorned in twos and threes until the greater portion of the Rooters' stand was filled, a yawning vacancy, however, bearing witness to the absence of the red tams of the R.V.C.

The Red and White team—regulars, subs, and most of the intermediates—came onto the field first, and were greeted with a rousing McGill yell as they proceeded to run through a hurried signal practice, while the halves punted the ball about. The Tigers, looking very distinctive in their black and yellow stripes, issued from the field house soon after, and were welcomed with cheers and applause.

After the referee had issued his final instructions to the players, the opposing team lined up. McGill kicking off against the sun and slight wind, but playing during the first half under intercollegiate rules which permit interference right across the field.

VARSITY WINS HARRIER RUN IN TORONTO

Goforth Beat Wiggins After Strenuous Competition

THREE TEAMS

Varsity Provided Dinner and Took Runners as Guests to Rugby Game

With what is considered to be one of the best teams that they have ever fielded, the University of Toronto won the Annual Harrier Run at Toronto on Saturday morning. McGill came second, and Royal Military College third; Varsity gained her first championship of the season in intercollegiate athletics by a large margin, scoring a low total of fourteen points, as against twenty eight and forty-two respectively for McGill and R. M. C. In the harrier meet, the system of points gives the victory to the team with the lowest total score. Goforth of Toronto was the first man in, and was closely followed by Rex Wiggins.

The weather man favored the runners with almost perfect conditions, although the roads were rather slippery after the heavy frost of the early morning and the hot sun which warmed everything up again quickly. In fact, the day reminded one of early October rather than November, and the teams had little difficulty in warming up. All the men who were entered had more knowledge of the layout of the course; the Varsity entrants of course were at home on it, while the harriers from R. M. C. and McGill had investigated it the day before. The course started from St. Andrew's College in Rosedale; from there it went north along a dirt road and up over a hill. On the return a good deal of the course was covered a second time; the runners finished up with a lap around the St. Andrews rugby gridiron, making the total distance six miles or even a little more.

The teams were all in the best of condition when they assembled in the dressing-room at St. Andrew's College. The visitors were welcomed by Bell, of last year's Toronto Harriers, who is not running this year, and Paul, the secretary of the Canadian Intercollegiate Harrier's Union, who is also a Varsity man. In the dressing-room the following numbers were assigned to the competitors:—Varsity: Goforth 1, Shaver 2, Turnbull 3, Sparling 4, Graham 5; Royal Military College: (Continued on Page 3)

CAMPBELL COPE INJURED SATURDAY

ENJOYABLE TRIP

Party of Twenty Returned to City Last Night

A party of twenty members of the McGill C. O. T. C. comprising two officers, and twenty other ranks spent the week-end at the Royal School of Cavalry, St. Johns, Que., where they were instructed in the elements of cavalry procedure. The party left Montreal on the noon train Saturday and returned nine o'clock Sunday night. The detachment was given a very interesting and instructive lecture on Cavalry Organization by Major H. Stethem, Adjutant, R. C. D.

After lunch Saturday the men were instructed in the elements of sword drill which most of them seemed to pick up quickly. Following this, instruction was given by one of the sergeant-majors on the points of a horse. The cadets were next taught how to groom a horse. After supper the men were free for the evening and most of them found their way to the gymnasium where an impromptu "stag dance" was got up. A band was formed for the occasion and consisted of piano, violin and cornet. Others wandered "down-town" and visited several of the institutions of amusement. Revellie was rounded at six-thirty Sunday morning and the cadets attended morning stables at six forty five. After breakfast the men were taken to the riding school, each one leading the particular mount he had groomed in the stable. Under the expert guidance of sergeant-major Dowdell the men were shown the principles of the walk, trot and canter as well as the left and right turn mounted. Close on to two hours were spent in the school.

After lunch dismounted cavalry drill was gone into, and the cadets were instructed in the correct method of saluting. Following this, Major Stethem explained the organization of cavalry means obstacle, but on the other hand and also proved that cavalry is by no means still very necessary in war. From supper till entraining time, the men were free to do as they chose. Some of the party repaired to the cauteen while others spent a quiet hour. The men returned to Montreal short-ly after nine o'clock.

MONTREAL, MONDAY, NOVEMBER 5, 1923.

A GREAT VICTORY

There are certain people in the realms of the sport who are termed "dopesters." They are in the habit of making delightful calculations, uttering profound prognostications, and telling the general populace just what's what. And "dopesters" placed the Hamilton Tigers in the top ranks of Canadian football teams, some saying "first," others writing "second." We do not know the exact position which the experts allotted to McGill but unless we are very much mistaken, it was somewhere in the cellar vicinity, not very far from the bottom.

To-day this carefully calculated ranking is very much in need of revision for it was very badly jarred on Saturday, when the Black-and-Yellow squad was defeated by McGill in one of the most brilliant and thrilling contests of the season. Never before has the McGill fighting spirit been in greater evidence, for the stands saw the Red and White players attack their heavier opponents time and time again and the lighter men were always ready for more. Players were injured; the men were tired; the students gave all they had; came back for more; took chances; got the "breaks;" and crashed through to the first victory of the season in a glorious manner to the accompaniment of the uncontrolled enthusiasm of the spectators. And the win was by no means an easy one. The Tigers fought all the way, but when they found themselves on the short end of the score, they let loose an attack, which in fury, desperation and concentration, has seldom been equalled in the Stadium. But to no avail. Throughout the game, the Red and White players all turned in good performances. Brilliant tackling, remarkable kicking, hard line plunging and fast work by the backfield were all parts of the day and all helped to send a great aggregation down to defeat in a great, clean and hard battle.

In the ranks of the undergraduates and among the sporting public there were many that predicted sure defeat for the home team. And seeing nothing but another loss, they refused to support the Red and White and went their separate ways, none of which led to the football field. But such as these have received their just reward for they missed the finest exhibition of the year and to-day they are bemoaning their loss. We are not going to waste any sympathy in certain directions.

But Saturday's game has meant much to the team and also to the University. The players have tasted victory. They have become more confident and they have shown the fans that they are a great group of players. There is yet one more game on the Intercollegiate card and that game takes place on Saturday in Toronto. The Red and White men are out to break even for second place and it is perfectly safe to predict a great contest, when the friendly rivals meet. A battle royal will be seen and unless a radical change takes place, McGill should finish on top in the final Intercollegiate contest of the season.

CONDENSED COMMENT

The Intercollegiate Senior Rugby Championship is settled once again and the Queen's team will hold the honours for yet another year. The Tricolour has come through the schedule without a defeat and is to be congratulated on the splendid showing made this season.

Taking five out of the first seven places, the Toronto Varsity harriers captured the Intercollegiate title for the fifth time in succession. The Blue and White runners all made brilliant showings and it will take an exceptionally strong aggregation to remove the silverware from its present stronghold. Although every man carrying the colours of the winners, deserves high honours, Goforth, who led the field, must receive special mention, for he showed the spirit of true sportsmanship, by making sure that his nearest competitors did not lose their way during the more difficult sections of the course. The whole meet was marked by only the best feelings and furnished further bonds of friendship between the competing universities.

Although the Thundering Thousand were shrunken in numbers and sadly disorganized on Saturday, the Rooters' Band had the largest turnout this season, the members showing their decided willingness, to give support, in spite of the fact that there had been very marked backsliding in certain quarters.

The members of the Annual Board have already commenced work on the next publication and have a difficult task to face. They have asked for active co-operation from every member of the Junior Year and this must be given immediately, if the work is to be accomplished successfully.

No college man is as good as he tries to make his prof believe he is, nor as bad as he tells his girl he is.

Why keep that school girl complexion, said the Senior as he brushed off his lapel.

MACCABAEANS MET AT UNION SUNDAY

School Quest in Subject of Spirited Discussion

A largely attended meeting of the Maccabean Circle was held at the Union on Sunday afternoon. The meeting was a huge success from the viewpoint both of numbers and interest evinced by those present. About two hundred attended and time did not permit all who desired to express their opinions on the subject under discussion to do so.

The main item on the program was an open discussion by the students on the School Question in this city. This was a continuation of the subject of the addresses delivered at the previous meeting by Mr. Fitch and Rabbi Merrill. S. Chait opposed the idea of uniformity in education, stating that this was against the best development of different cultural and ethnological groups, and for this reason he favored a separate panel. M. Kaufman opposed this view, and stressed the necessity of harmony. Opinions on the subject were also expressed by Blech, Arts '25; Eddie, Arts '27; H. Silverstone, and Otto Klingberg. The latter stressed the desirability, as students, of considering the cultural side of the question.

Miss Edith Ziff opened a piano solo, and Miss Lucille Roston, B.A., gave a recitation. Refreshments were served at the close of the meeting.

Otto Klingberg announced that, as a result of the Students' Conference held under the auspices of the S.C.A. in Toronto last year, meetings of representatives of different groups at McGill, Montreal University, and Toronto University had been held in the past and will be resumed in the near future.

FACULTY MEN BEFORE THE WORLD'S EYE

Nobel Prize Given to Canadians

\$40,000 AWARD

Dr. Banting and Dr. McLeod of U. of T. Honoured

Two members of the University of Toronto have been awarded the Nobel Prize in Medicine. They are Drs. Banting and McLeod who are both graduates of that University. Dr. Banting is the discoverer of insulin. Dr. McLeod is professor of Physiology. It is understood that this prize, which is worth about \$40,000, will be divided between these men. They are the second Britishers to receive this Medical award.

The Nobel prize was instituted by the will of Alfred Bernard Nobel who left \$9,000,000, the interest of which was to constitute a fund from which prizes were to be given to the individuals who most benefitted mankind.

Alfred Nobel was a distinguished Swedish chemist and the discoverer of many high explosives. As a young man he studied in the United States under the famous engineer, John Ericsson. On his return from this continent he went to Petrograd where he went under contract to prepare mines and torpedoes for the Russian Government. Working in conjunction with his father he manufactured dynamite in 1866, discovered dynamite in 1866, explosive gelatine in 1875 and ballistite in 1888.

The awards are not as constituted by the will, as the heirs contested it, but are in the form of five prizes to be given to the person who has done the most to benefit mankind. They are to be given men who have made the most important discoveries in Physics, Chemistry, Medicine, also to the author of the most distinguished work of idealist tendency, and the person, who most promoted the fraternity among nations.

"My, but 'sh foggy," remarked the inebriated student as he tried to maneuver through a frosted glass window.

BRITISH RUGBY NOVEMBER TEN AT STADIUM

Important Game Scheduled
for Next Saturday

GOOD PROSPECTS

Jack Usher of Halifax Wanderers Will Coach McGill

English rugby followers will have another chance to see the team in action next Saturday at the Molsen Stadium. A return intercollegiate match with Toronto is under consideration but if this hope does not materialise the second game with the Montreal English for the McTier Cup, emblematic of the championships of Eastern Canada will be advanced a week. In previous years only one intercollegiate game has been played but this year Toronto has been given guaranteed by the McGill Athletic Board and it is hoped to establish the home and home games precedent with total points to count.

In last Saturday's game Varsity won 7-3 so the lead is not insurmountable especially when it is remembered that the McGill players spent the night on the train and the game was played in the morning.

Jack Usher, coach of the Halifax Wanderers is going to take charge of the practices during the first part of the week. Mr. Usher learned the game in the Old Country. After coming to this country he played a few seasons at Canadian rugby with the Ottawa team. He has been devoting his energies to coaching the Halifax team which put up such a splendid exhibition against the Montreal English on Saturday. McGill is fortunate in securing a man of such wide experience as Jack Usher even for so short a time. Prof. Mathews has been giving ungrudging of his time coaching the boys and the boys have improved very much since the beginning of the season.

On Tuesday there will be a practice game between A and B teams and a few chances will be made in next Saturday's line-up as a result of the showing made then.

The players are all in good shape with the exception of Legg who was injured in the Varsity game. Wilson who sustained a sprained shoulder at Toronto hopes to be back in the game for Saturday.

It is hoped also to arrange a game between Montreal English II's and McGill II's for next Saturday.

M.S.P.E. JUNIORS WIN IN LACROSSE

Stadium is Scene of Muddy Conflict

A slight variation of lacrosse was played by the Physical Eds. on Saturday morning, Nov. 3.

The following are some of the impressions which an observer, incidentally not a reporter, received from the match.

Starting whistle aroused the players to action. A dense, mud cloud arose, and the ball indistinguishable from mud clumps for some time, appeared later in the possession of the Juniors. But when the Seniors finally discovered where it was, they showed some nice passing in bringing it back towards the opponents' goal. Those who fell in this memorable but muddy battle, deserve honorable mention. These warriors were Ford, (who forgot her chains), Gilmore (who fell upon the little "Field," the latter however emerged triumphant), Crang (who accidentally discovered her ability for doing the splits), Gallery, (who prefers dry land-diving to aquatic sports).

The second year team A, was greatly aided to victory by the good combination and passing among the following players: Roberts, McTaggart, Gordon, and Copping. The star players of team B were Ibbotson, McCordick and Tourgis.

On the first year team B, Shannon ably filled her position of goal-keeper and even used her head in intercepting the ball. The Juniors during the entire game, led their opponents a merry sprint up and down the field, thus recalling the fact that 25 are track champions this year. The final score was 12-1. Miss V. Ibbotson scoring for the Juniors.

The line-up was in four teams as follows:

BASKETBALL SEASON WILL OPEN TO-DAY

First Practice Will be in High School Gym

GOOD PROSPECTS

Age Limit of 20 Special Feature for Juniors This Year

Plans for the commencement of intercollegiate city league and inter-faculty basketball are now ready with the opening practice to be held this afternoon in the High School gym.

Toronto and Queens have been practicing for some time and Queen's is already contemplating winning the intercollegiate series. McGill has won the honours for the past two years and does not intend to relinquish them this year.

Regular practices perfect team work and promote co-ordination between the players resulting in a strong team. The sooner a selection of the best men is made the better chance the coach has of producing a winning team; as the amount of time left before the first game is limited.

The scheme by which the men are to be chosen for the four teams is by the method of eliminations. After two or three practices a selection will be made of about 25 men to make up the Senior and Intermediate squads. These men will practice Mon. Wed. and Fri. The remainder of the men will hold further practices at Molsen Hall for a week or two after which a further selection of 25 men will be made to constitute the Intermediate B and Junior B teams. Any men who are not quite proficient enough for any of these four teams need not feel that they are cut off from basketball for the season as there is a Freshman-Sophomore series of games to be held. There is also a possibility of a similar schedule being arranged for the upper years.

Each faculty will enter one Freshman and one Sophomore team in a "Round Robin" schedule. The Sophs will interplay till the winner is chosen. The championship is to be decided by a play off between this team and the Freshman winner. The members of the team which win the play off will receive awards in the form of letters or numerals.

Awards are made to players in the senior intercollegiate series as well as the pleasure of a very attractive Xmas trip. The Senior schedule has been drawn up and is pending approval by the other colleges. On Dec. 15th the seniors will make a trip to Burlington to play the University of Vermont; and a return game in this city is expected to follow.

A very attractive program for the Xmas season has been arranged. The men will play against the University of Pennsylvania at Philadelphia Pa. on Jan. 1st; at West Point on the Hudson they are to play the Army cadets. The team will then go up against the well known Crescent A. A. in New York city. The joys and pleasures of such a trip are too numerous and well known to need any explanation, last year a similar trip was made which proved very successful.

This year an age limit has been set for the Juniors; all men playing Junior B must be under 20 years of age before Jan. 1st 1924. Men under this limit will be given exceptional opportunities to make the team.

With the prospects of a good stiff struggle against McGill's rivals in view the need of a large turnout is evident Coach Van Wagner will be on hand to put the men through their 1st workout.

ANNUAL MEETING AT HART HOUSE

C.I.H.U. Discusses Matters of Importance and Names New Officers

Immediately after the Harrier Meet in Toronto on Saturday morning, the annual meeting of the Canadian Intercollegiate Harrier Union was held in Hart House, the members of the three teams, and a few others, being present. Rex Wiggins, vice-president took the chair in the absence of the president, and brought several matters of some importance before the meeting. Before this, however, the minutes of last year's meeting at the McGill Union were read and adopted.

The first matter was the appointment of two voting delegates from each college represented these were Goforth and Shaver of Toronto, Thomson and LeBoutellier of R. M. C. and Brain and Egerton of McGill. Following this, a letter was read from the Canadian Intercollegiate Athletic Union asking for an expression of opinion regarding the establishment of a central clearing-house for all intercollegiate Athletic Records and Information. After some discussion it was unanimously decided to pass a resolution declaring the C. I. H. U. to be in favor of the idea. Of course, it is easy to understand that such a resolution is only one of many which will have to be passed before the Athletic Union to get the consensus of the Opinion of all the clubs. The idea is such a practical one, however, that it seems evident that it will meet with favor in practically all athletic circles.

The next question brought up was that of attempting to increase the number of colleges participating in the Annual Run, with a view to making a more interesting race for all. All present were in favor of this suggestion, and a number of colleges will be invited to compete next fall among those whose names were mentioned are Ontario Agricultural College, Western University, Ottawa College, Université de Montreal, Queen's University and the University of Bishop's College. The place of the meet next year is to be the Royal Military College, Kingston, and the time two weeks after the Intercollegiate Track Meet, as it was this season. The following officers were then named for the coming year, according to the constitution of the C. I. H. U.:

President—the President of the McGill Harrier Club.
Vice-President—the President of the Toronto Harrier Club.
Secretary—the President of the R. M. C. Harrier Club.
Just before adjournment, a resolution was passed, offering hearty congratulations to the Toronto Harriers, for the splendid showing made by all their runners, and especially W. W. Goforth, in the race.

RIFLE CLUB SHOOT FOR BIRKETT CUP

Team From Senior Year Wins Contest

The Senior year has already shown its superiority over other years in at least one form of college activity. Yesterday morning the last shoot of the McGill Rifle Club took place in the form of the annual competition for the Birkett Inter-year Cup. After a close contest the team from the Senior Year was successful in walking off with the silverware. The cup was presented by General Birkett twenty years ago and during that time has been changing hands continually ever since. Last year the Junior team won it and this year they carry the cup on to their last year by yesterday's win.

The weather conditions were perfect and although the turn out was not quite as good as might have been expected yet, there was quite a crowd of spectators accompanied the team. An idea of the competition can be gained from the following scores of the winning team:

P. S. Hunter	97
P. R. Wilson	92
F. D. Mooney	89
Sid Williams	88

The Rifle Club has had a very successful season and the executive appreciate very much the faithful way in which the members have turned out to the shoots.

GYMNASTIC CLUB BEGINS YEARS WORK

New Men Urged to Turn Out

AT HIGH SCHOOL

A Very Successful Year is Again Expected

Practice periods for the Gymnastic Club have been announced. The place is to be the High School Gym. And the time is 5 p.m. Monday, Wednesday and Friday. This club is one of McGill's most successful clubs and has won the championship for the last two years.

Any man interested in apparatus work or tumbling is cordially invited to turn out at one of the practices and get lined up with the club. There are no "strings" or fees attached to any one that is willing to put in a little time will be welcomed.

This year should see a close struggle for places on the representative team which meets Varsity in Montreal in the Spring. The Indoor Championships (Wicksteed Contest) is also one of the events this year. Several good men of outstanding ability have turned out so far this year and prospects are indeed bright for the results in competition. This should not deter any new men from turning out as there is plenty of time for any man to learn the turns and make a place on the team.

For those who may have a hazy idea of what the "Gym" club does, it may be said that the club practices apparatus work right from the most elementary to the advanced movements. The work is done on the following pieces of apparatus:—Parallel bars, Horizontal bar, Side Horse Mats and Blugs.

Coach Findlay is the crack of the club and is an excellent man for the position. The members of last year's team, J. R. Delahay, J. McLetchie, F. E. Consiglio, S. E. Kyes and if possible G. A. Holland and Paul Scott of the 1921-22 team and W. Werry of the 1920-21 team will assist in coaching so any new man will be well looked after and will be well assured of every assistance in mastering the work. All the coaches have had considerable experience and are willing to do their utmost in giving time and advice to the new members.

Another effort is being made to include R. M. C. and Queen's in an Intercollegiate Union, so interest should be kept this year.

The following men are specially asked to turn out for the next practice:—J. G. Allison, R. S. McMillan, H. R. Baxter, S. G. Baxter, A. S. Ross, L. M. Becker, K. C. Derwick, B. E. F. Dauman, R. H. Martin, A. H. Bourne.

RESIDENTS MADE "SING" A SUCCESS

Local Talent Unearthed at S.C.A. Home

STICKY SING

Refreshments a Popular Feature Were Above Par

No one dreamed that the "Sing" could be such a pleasing event, as it was last night. The programme was arranged by the residents of the Hall and was elicited in a very efficient manner. The position of pianist was ably filled by W. P. Malone. Promptly at 9 o'clock Jack MacDonald, Sec. '24 called the boys and girls to attention by taking his feet and calling "What number." He said that he hoped the boys would mix it up with the girls and make the evening a success. After several selections being rendered lustily, A. C. H. Boshaw gave an appreciated violin solo, and was encored several times. P. R. Wilson Arch. '24 favored the assembly with a solo which gained the approval of all; and being encored did himself justice. Then the assembly joined in several more selections which were sung with a vim that made some wonder. A. C. H. Boshaw was again called upon to express himself in melodious strains on his fiddle.

At this point the toasted marsh mallow for their lady friends, and the sticky candy was freely passed around. Then the refreshments were served, and no one can say the cake was scarce.

"The Sing" is for all, and only be a success by the girls turning out to converse freely with the boys. Surely those who attended the "Concert" could extend their social engagements to a pleasant evening at the Hall.

Several more numbers being sung the happy gathering rose to sing "Hail Alma Mater." Bob Hall moved a vote of thanks to those who were instrumental in carrying through to a successful conclusion a sing that will be remembered.

The S. C. A. Board hope that the students will continue to attend, and next Sunday Evening every one is urged to bring a friend and have a good time.

VARSITY WINS HARRIER RUN IN TORONTO

(Continued from Page 1)

Nelson 6, LeBoutellier 7, Fair 8, Thomson 9, Walker 10; McGill: Brain 11, Wiggins 12, Egerton 13, Wade 14, Hart 15. Following this the men drew for position, and it was rather a coincidence that Goforth and Wiggins drew first and second best places.

Shortly after ten o'clock the runners lined up outside the college gates, and were started by Captain Harvey, of R. M. C. All rounded the first corner together, and remained lunched for some time. In fact for the first mile and a half all men kept pace with the leaders, but after that the field gradually began to string out, with Wallace Goforth in the lead, and Wiggins, Shaver and Turnbull very close behind. The R. M. C. men held the pace fairly well, but one of them was forced to drop out before the finish. At the half-way mark, the order of the men was as follows:—Goforth, Wiggins, Egerton, Walker, Wade. On the home stretch Goforth drew away from Wiggins, while Wiggins in turn got a substantial lead on the rest of the field.

Goforth's style was beautiful and showed a great improvement over his performances last year; he made a gallant sport around the football field to finish. He did not appear to be particularly tired, and probably could have done better if he had been pressing. Time 34.17 2-5. Rex Wiggins was some distance behind, but also finished well with one of his famous 100-yard dashes. Time 31.40 2-5. Turnbull and Shaver, of Varsity, ran a dead heat for third place, and as a result will both get the much-coveted big "T", which is only given for unusual athletic distinction. McGill's second man in was Brain, who is a new man at the running game; he showed his capabilities by nosing out Spurling, of Varsity, after a hard fight for fifth place. Thomson, who came in eighth, was the first R. M. C. man to cross the finish line, and considering his youth, did very well; he comes from Montreal and may be seen at McGill some years hence.

Graham of Varsity was the seventh man, and the rest of the men who have not already been mentioned finished in the following order:—Fair, Hart, Egerton, Nelson, Walker, Wade, Sims, the McGill spare man, also went around the course for the experience to be gained, and he finished shortly before Wade; he was, of course, running unofficially. The judges of the race were:—Rev P. J. Dykes, (former

Harrier), Dr. Porter Hart House (Physician) Professor Henderson (Varsity). The timers:—Dr. H. Campbell (holder of the Intercollegiate mile record), Mr. F. H. Halhaus (holder of several Intercollegiate track records), Dr. W. E. Brown. Starter: Captain Harvey.

Immediately following the race, Dr. MacDonald of St. Andrew's very kindly served hot coffee and biscuits to the runners, and this was greatly appreciated. Every convenience had been arranged for by the Varsity officials, even to having trainers give each man a good rubdown. The men drove down to Hart House as soon as they had changed, and the C. I. H. meeting which is mentioned elsewhere, was held.

At one o'clock, a dinner was served to the teams and officials in the dining-room of Hart House. This was a very enjoyable affair, and a fine meal was provided. After dinner Brain gave a short speech of congratulation to the Toronto team, and he led a Varsity yell. Goforth then started R. M. C. and McGill yells, which were heartily given. Bell, of Varsity, announced that all who wished might be the guests of the Toronto officials at the game between Parkdale and the Varsity O. R. P. U. team. Seats in the front row were provided, and a fine exhibition of rugby was seen by all who attended; Parkdale won 13-2, chiefly due to the efforts of Joe Erlen and Brophy, on the half line, whose running and kicking was both spectacular and effective. Looking back on the meet, it seems evident that Varsity's win was chiefly due to the fact that they had an ex-

ceptionally well-balanced team. A notable feature of the whole day was the cordial hospitality of the Varsity men. No effort was spared to give the visiting teams something to look back to, and this contributed in no small measure to the success of the meet.

FOOTBALL DOPE IS UPSET WHEN HAMILTON TIGERS DROP DOWN TO DEFEAT IN FINAL MOMENTS OF GAME WITH RED AND WHITES

(Continued from Page 1)

his man at centrefield, ending the most dangerous looking rush that the Tigers had yet staged. Until nearly the end of the stanza the work of the line, which was holding like a wall, of the kicking department, and of the wings kept the Hamiltonians on the defensive; but when Burton slipped around the end for a thirty-five yard run through a broken field, and immediately R. Crocker got away through centre on a fake end run for another thirty-five yard advance, things began to look serious for Doug. McGee's boys. Heavy line plunging saved the attackers their yards in two downs, and with the ball three yards out of the Jungles formed up for their first down. The half-time whistle blew before the ball could be snapped, and the rooters went wild as they realized that McGill had held the Tigers off a scoreless tie in the first half, and moreover that for the greater part of the time the collegians had had the edge on the boys from the Big Four.

The Tigers, playing now under Interprovincial rules, which limit interference to the line, started the third quarter with a rush that carried the ball dangerously close to the McGill line. A long, low kick-off bounded far behind the line, and making a great run and evading the attentions of several of the Black and Yellow wings, Hanna was just able to carry the ball out, being dived a few inches on the right side. Hughes' kick sent the ball to his thirty-yard line, but the men from Hamilton returned to the attack like wasps. An onside kick brought the play up to the very line, Hughes saving the situation by picking the ball from the air and swinging round the goal post to be dived a yard out. Once more Hughes' kick forced the play back to the thirty-yard line, but the Tiger was thirsty for blood, and he got it when Bert Gibb placed a drop between the bars. McGill, on the blank side of a 3-0 score, fought hard, and carried the play to the centre-field, when the Tiger started on the tear again. Gibb got away round the end for a twenty-eight yard run before being downed, and was soon in a position to kick into touch in goal adding another tally to the score. This was the last of Hamilton's scoring. The McGill line tightened, Hughes began to get a better distance on his kicks, and the good work of the wings stopped the Jungles' rushes. Some pretty passing enabled the Tigers to get over the centre mark, but they were forced to kick, and the collegians started an offensive that took the play into the jungle for the greater part of the period. Hughes squirmed through a broken field for a twenty-five yard run and then kicked before being tackled. McGill obtained the ball within striking distance, and Wilson nabbed Crocker for a rouse before the Hamiltonian could run the ball across the line, giving McGill her first point. The teams changed ends with the score at 4-1 in favor of the Tigers.

The final stanza was most thrilling of all and soon after its commencement the stands were brought to their feet when Mickles' onside kick was blocked, and three of the Tigers and Mickles went chasing a loose ball with nothing between the Hamiltonians and a touch should they gain possession. The Red and White quarter recovered, and Hughes was able to kick out of danger. The next thrill came when Charlie Wilson rushed down the field under one of Hughes' high kicks, and hurled himself through the air bringing down his man who was running at full speed in one of the most beautiful tackles seen at the Stadium for a long time. Wilson, who was hurt, was given a great ovation as he came off. Shortly after this the Red and White, who had definitely assumed the offensive in a desperate attempt to pull out on the long side of the score, brought the play within striking distance of the Hamilton goal, and Hughes sent over a beautiful long boot which enabled Fife to get over and down Evans for a rouse, bringing the score to 2-4, with McGill still on the under-side. Hughes' kicking had vastly improved in the second half of the game, and it was to this department and to the wonderful support that it was receiving from the wings that McGill's winning touch was directly due. In possession of the ball at centre field, Hughes sent a beautiful high sixty-yard kick which bounced behind the Tigers' goal. The Black and Yellow back fumbled, and Norris fell on the ball giving the collegians possession four yards out, and Little had no difficulty in going over for the touch that put McGill ahead. In the remaining minutes of the game, the Tigers made desperate efforts to recapture the lead, but long and hazardous passes and desperate attempts at end runs failed to gain yards, and the final whistle proclaimed the Red and White a winner.

At the conclusion of the game the rooters thronged onto the field and carried Hughes off shoulder high. The honour was well deserved, for not only was Hughes' great booting responsible in a great measure for McGill's victory, but he was a consistent line plunger, and was quick in getting away after making a catch. His play in the third quarter when he ran for twenty-five yards and then attempted

an onside kick was a brainy piece of work that deserved to meet with better luck than it did. In his first appearance at the Stadium, Hanna showed himself a player of real worth. His brilliant run out saved a score at a critical time, and he made some fine tackles and did some ball carrying of merit. Robertson and Wilson on the wings played a sterling game. They were getting down quickly under kicks and their tackling was deadly. Little was a tower of strength on the line, and Mickles played a heady game at quarter. Six out of the eight times that McGill made their yards it was Mickles who was carrying the ball on the third down.

A detailed account of the play follows:

FIRST QUARTER

McGill facing sun and kicking against wind. Hughes kicked off to Gibb who returned it. Hanna, who made the catch, being downed on his 45 yard line. Murphy plunged through the line for a five yard gain, and Hughes kicked on the second down to Evans who fumbled, McGill gaining possession on Hamilton's 45 yard line. On the first down Murphy wriggled through the centre for a two yard advance. Hughes tried a drop which went wide. Evans muffed the catch, but Gibb recovered for the Tigers, two yards out. Hamilton kicked on the first down to Hughes, whose quick passing enabled Hanna to stage a twenty yard run to the Black-and-Yellow 15 yard line. On McGill's first down Hughes was thrown for a loss, and on the second he attempted a drop which went wide. Evans running the ball out eight yards. Gibb made four yards through the line. Fife on for Campbell Cope who was injured in making the tackle. Hamilton made yards twice through the line. Anderson on for Wilson. Hamilton plunged through the centre for four yards on the first down, and on the second, receiving a pass, ran for a gain of five yards. Gibb kicked on the third down although he only needed one yard, the ball going into touch at McGill's 45 yard line. On the first down Hanna out his way through the jungle for a four yard gain. Hughes kicked again on his second down. Evans making the catch and running the ball back to centre. On the first down, Evans clipped round the end for a two yard advance, but on a second attempt he was thrown for a loss. On the last down Gibb kicked to Hughes who was tackled on his 25 yard line. Murphy found a hole in the centre and squeezed through for four yards. Hughes showed his determination to play a kicking game by booting the ball once more on his second down. Evans received the catch and was downed in his tracks. The McGill wings were getting down under Hughes' kicks in great style giving the Black-and-Yellow backs no chance of getting away for long gains. On the first down, Hamilton fumbled, and Anderson fell on the ball. Little failed to gain through the centre, and Hughes kicked on McGill's second down. Evans, who received, was tackled on his 10 yard line. Wigle was only allowed to wiggle through the centre for a two yard gain, and Hamilton made no advance at all on the second down. On the third down Gibb kicked to Hughes who was nabbed at centre field. Wilson went on for Anderson. Hughes line-plunged for five yards on the first down, and on the second Mickles made it yards. On the first down Hughes slipped around the end and gained five yards. Mickles kicked on the next down to Evans, giving Hamilton possession on their five yard line. The Tigers were held for five yards on the first two downs, and on the third Gibb booted to Hughes on Hamilton's 45 yard line. Little advanced McGill five yards through the centre, and on the second down Mickles kicked to Evans who was brought down on his 15 yard line. On Hamilton's first down, Evans attempted an end run but failed to gain. Quarter time. Score at end of first quarter: McGill 0, Tigers 0.

SECOND QUARTER

Hamilton's second down; ball on their 15 yard line. McGill now aided by sun and wind. Gibb gained five yards through the line, and on his last down, kicked to Hughes at centre. Hanna worked an end run for a five yard gain on McGill's first down, and on the second, Mickles made it yards. On the first down Little plunged five yards through the line. Mickles failed to gain on the second down, and on the third he attempted an onside kick. Gibb picked it out of the air, and raced down the field with only Hanna to beat. The lad from Sarnia brought the stands to their feet when he downed Gibb at centrefield and ended the most dangerous looking rush that the Tigers had yet staged. Gibb hurt, and limped off, being replaced by Moss. On the first down, Manson of Hamilton made three yards through the line, and on the second Tuck nipped around the end for a two yard advance. Moss kicked to Hughes on the last down, and the McGill back was thrown on his twenty yard line. Hughes plunged through the line for an eight yard gain on the first down and on the next Mickles made it yards. Little got five yards through the centre. On the second down Hughes made it a fifty-five yard run, and then attempted

yard kick to Evans on his 10 yard line. Evans passed to Moss who ran it back to the twenty-five yard mark. Tuck failed to make a gain on Hamilton's first down, and on the second, Manson plunged five yards through the centre. Robertson broke through and blocked Moss' kick on the third down. Hamilton recovered for a loss and had failed to make yards. McGill's first down on the Tiger's 25 yard line. Failing to gain on the first down Hughes kicked to Moss, who returned it. Hughes fumbled and Hamilton gained possession on their 35 yard line. Hamilton kicked on the first down to Little who fumbled, Hamilton gaining the ball at centrefield.

Many spectators who had not seen the details of the play yelled "Forward Pass," R. Crocker fought his way through the line for five yards on Hamilton's first down. On the second, Moss fumbled a fake kick, and Manson of McGill kicked the ball into touch. Hamilton lost five yards on a fake kick, and the next down Crocker had to concede five more when a fake end run failed to function. On the third down Evans booted to Hughes who hit the dust on his 35 yard line. Little battered his way through the line for a five yard gain. On the second down Mickles made it yards. Hanna failed to advance on the first down, and Hughes kicked on the second to R. Crocker who was nabbed by the Red-and-White wings on his forty yard line. Evans and Laing attempted a criss-cross on the first down, but the play failed and they were thrown for a two yard loss. The McGill line was more than holding its own against the weighty aggression from the Jungle. On the second down Evans kicked and the Hamilton wings racing down under the boot in fine style nabbed Hughes in his tracks on his 40 yard line. Hughes was not given yards, and Hamilton was backed to centre field. On the first down Hughes found a hole in the line for a four yard gain. Hughes kicked on the second down to Laing who was tackled on his 10 yard line. R. Crocker, Gatenby, and Tuck successively plunged through the line, giving Hamilton their yards in three downs. Gatenby plunged through for three more yards on the first down, and then the Tiger got wild and started a roaring rush down the field. Burton slipped around the left end, and brought the stands to their feet with a thirty-five yard run through a broken field before being downed at centrefield. The Tigers made no gain on their first down. Anderson on for Wilson. Then the Tiger let out another roar of fury. R. Crocker slipped through the centre on a fake end run, and was away down the field for a second thirty five yard run, within five minutes being nabbed by Robertson just in time on McGill's 13 yard line. Burton plunged through the line for an eight yard gain on Hamilton's first down. On the second Tuck made it yards. Hamilton's first down three yards from McGill line. The half-time whistle blew before the ball could be snapped out, and the rooters went wild.

Half time score: McGill 0, Tigers 0.

THIRD QUARTER

Play under Interprovincial rules this half. Sun now gone down. Manson of Hamilton kicked off—a long, low kick that went behind the McGill line. Hanna nabbed the ball, and made a great run, avoiding the Tiger-backs, who were well down under the kick, until he was just over the line. McGill's ball a few inches out. On the first down Hughes kicked into touch on his 50 yard line. Manson of McGill broke through the line to hold his namesake from Hamilton for no gain on the Tiger's first down. Wilson on for Murphy. On the second down Gibb failed to gain through the centre, and on the final down tried an onside kick. Hughes grabbed it and swung himself around the goal post to be downed a yard out. At this time the Tigers were playing with a rush and for the second time only the speed of the McGill backs had prevented Hamilton from scoring. Again Hughes kick forced the attack line back to the thirty yard mark. On Hamilton's first down Manson gained eight yards on an end run, but failed to advance on the next down. Anderson on for Wilson. On the last down Gibb placed a drop between the bars, and threw first blood. McGill 0, Tigers 3.

Hughes kicked off to Gibb who returned it. Hughes being tackled on his 35 yard line. The McGill back made two yards through the line on the first down, and kicked on the second to Crocker, who was tackled by Anderson on his 45 yard line. Laing brought the ball to centrefield on Hamilton's first down. On the second, Gibb slipped around the end and ran for twenty-eight yards through a broken field before being collared. Manson plunged through the line for a three yard gain on the Tiger's first down, and on the next Gibb kicked into touch in goal.

McGill 0, Tigers 4.

Play resumed on McGill's 25 yard line. Red and White in possession. Starke heaved his way through the line for five yards, and on the second down Mickles made it yards. On the next two downs Little and Hughes combined for a nine yard gain, but an attempt to pierce the Black and Yellow line for the needed one yard failed, and the ball was given to Hamilton. Bert Gibb kicked at once, and Hughes who made the catch was tackled on his 15 yard line. After

Starke had plunged for four yards through the line, Hughes kicked on his second down. The Red and White wings were performing wonders in getting down under the ball, and Crocker, who received, was thrown in his tracks. A fake buck enabled Crocker to make an eight yard advance, but there was no gain on the second down to Crocker, who was not bled on the third, a collegian obtaining for McGill. Hughes found a hole in the line for yards in two downs. Little gained three through the centre, and Hughes kicked on the second down to Crocker, who was not given yards. McGill was penalized fifteen yards. On Hamilton's first down, Boyatt advanced five yards, and on the second Evans gained fifteen yards on the end of an end run which was marked by some beautiful passes which the Jungles made at the last moment before being tackled. Crocker added another four yards to the Tiger's gains. Walsh on for Gordon. On the second down, Wilson broke through and nailed Crocker for no gain, and on the third, Crocker kicked into touch at McGill's 36 yard line. On the first down Hughes made a twenty-five yard run through a broken field, and then kicked, Crocker pulling the pigskin down on his 35 yard line. Hamilton kicked on the first down but the ball went into touch on their 40 yard line. Hanna advanced two yards at the end of an end run. Hughes kicked on the second down to Crocker, and Wilson made a pretty tackle behind the line, giving McGill her first point.

McGill 1, Tigers 4.

Robertson on for Wilson. Hamilton's first down on their 25 yard line. Robertson broke through the line and held R. Crocker for no gain, and on the second down Manson did the same thing. On the last down Evans kicked to Hughes who passed to Hanna, the latter being downed at centrefield. Bones Little bucked and plunged for an eight yard advance, and on the second down Mickles made it yards just as the quarter ended.

At the end of the third quarter: McGill 1, Tigers 4.

FOURTH QUARTER

McGill's first down on Hamilton's 40 yard line. Manson gained three yards through the line, but on the second down an attempted outside kick developed into a forward pass, and the striped men were given the ball. Evans kicked at once, and Hanna who made the catch was downed at centrefield. Hanna plunged for three yards on the first down, and on the second Mickles attempted an outside kick which was blocked. The stands were brought to their feet by the spectacle at Mickles and three of the Tigers chasing the rolling ball with not a man between the Hamiltonians and the McGill line should they recover. Mickles, however, fell on the ball, and on the first down Hughes kicked out of the danger zone to Laing who ran it to his 42 yard line. Robertson on Anderson. Making no gain on the first two downs, Evans kicked on the third to Hughes who ran ten yards before being tackled on his 45 yard line. At the end of an end run Hughes advanced six yards, and on the second down Mickles tore through the line for three more. Hughes was preparing to kick on the last down, but the McGill wings were offside, and the ball was given to the Tigers. Evans kicked at once and the Hamilton wings who were giving a fine performance, nabbed Hughes who received, on his 30 yard line. Hughes and Little combined for a five yard gain on the first down, and on the second, Hughes' kick was blocked, but the McGill back recovered for a slight loss. On the final bend-over Hughes kicked, and Charlie Wilson getting down under it in fine style made the most spectacular flying tackle of the game, when he flung himself around the ankles of the brawny Tiger back who was running at full speed with the ball. Wilson was hurt in making the tackle, and was given a great ovation as he was carried off. Hamilton's first down on their 45 yard line. McGill was given the ball when Tigers were offside. Hughes was hurt in plunging for a gain of four yards on the first down, but did not go off. No gain was registered on the next down, but on the third, Hamilton was sent back ten yards for interference. Little and Hughes combined for an eight yard advance on the third down. An end run failed to gain ground, and Hughes sent a beautiful long boot at Evans who was downed, before he could run it off, by Fife for McGill's second rouse.

McGill 2, Tigers 4.

Hamilton's first down on their 25 yard line gave them a gain of seven yards when Manson plunged through the line. The Red and White line tightened, and the two hundred pounder, Tuck, failed to make a gain. On the final down Evans kicked to Little at centrefield. Little advanced through the line for five yards on McGill's first down. Dier on for Woodruff. Hughes kicked on the second down, the ball going into touch at Hamilton's 15 yard line. Hamilton gained five yards in two downs, and on the third, Evans kicked into touch at centrefield. Norris on for Doug. McGregor who was given a great hand as he came off. Starke went through the centre for two yards. On the second down Hughes sent a beautiful high sixty yard kick which was

Carried after being run out from behind by Little. Norris recovered and it was a first down four yards from the line. Little got over for a touch, which he just failed to convert.

McGill 7, Tigers 4.

Gatenby kicked off to Hughes, who immediately returned it. Evans made the catch, and was downed at centrefield. Gatenby was thrown for a one yard loss on the Tiger's first down. On the second down, W. Crocker fumbled after making a fifteen yard run, and Hanna scooped up the ball, running it back five yards before being downed. Hughes kicked on the second down. Little having gained four yards on the first, Hughes was now consistently out-kicking the Hamilton backs, this kick travelling fifty-five yards to Laing, who carried the ball to his 30 yard line. The Tigers at this time were playing hard and fast, taking chances, and flinging the ball about in long passes in an endeavour to overcome Laing gained fifteen yards around the end, but end runs failed as ground gains on the next two downs, and Evans was forced to kick. Hughes receiving on his 35 yard line, Hanna made five yards on the first down, and on the next Mickles plunged for two as the final whistle sounded.

CAMPBELL COPE INJURED SATURDAY

(Continued from Page 1)

Tiger game last Saturday. "Cam" was carried off the field and his first words on regaining consciousness voices the spirit our team has shown all through the year and is one to be commended.

At first it was rumoured that Campbell was suffering from concussion of the brain, but an X-ray taken yesterday showed that there was no fracture. Dr. Tees, when interviewed last night, said that Cope was suffering from an injury to his spinal chord. His condition was reported as somewhat easier, although still in pain. It will be some time before he will be able to get about and he will have to remain quiet for some time.

Cope is a very effective player and will be missed on the line-up when McGill lines up against Varsity at the Queen City next Saturday.
